The CEQ interagency briefing is set (finally) for Monday at 2:00.

I've asked Ann to schedule a premeeting for Monday morning to prepare.

It would be very helpful if the draft of the presentation could be circulated no later than Friday afternoon so we can comment over the weekend and generate a new draft by Monday am if necessary.

We'd like to keep numbers low but certainly key regional and HQ staff should participate. Dennis -- I'm assuming you'll be calling in.
